

NOPSA

A weekly message from the CEO

N^o 11

PLEASE PASS TO ALL CONCERNED

This series of messages from the CEO is aimed at keeping you informed of the establishment of the new National Offshore Petroleum Safety Authority (NOPSA). As NOPSA is in the process of moving into the Perth Office, John Clegg has asked me to send this on his behalf.

The NOPSA staff have all left Canberra and taken up residence at the NOPSA head office in Perth. The address of this office is, St Martin's Tower, Level 22, 44 St Georges Terrace, Perth WA 6000. However, allocation of phone numbers and IT is expected to take another week. This makes communication with the NOPSA staff difficult, but they can be contacted on the following mobile numbers:

- John Clegg, CEO: 0417 235 711
- Phil Palmer, Corporate Manager: 0421 615 924
- Paul Finnigan, Team Leader: 0407 445 410
- Simon Schubach, Team Leader: 0423 025 110

John Clegg met with Richard Craddock and his management team from the Western Australian Department of Industry and Resources (DoIR). They discussed transitional arrangements, in particular the move of WA regulators from DoIR to NOPSA, and how their current workload will be handled.

NOPSA welcomes Dot Sherry, who will be John's and Phil's administrative assistant, and we wish the NOPSA staff all the best in their new premises.

John Clegg
