

NOPSA

“SHARING GOOD PRACTICE - IMPROVING SAFETY PERFORMANCE” NATIONAL PROGRAMMES WORKSHOP 2008

The National Offshore Petroleum Safety Authority
invites you to a workshop regarding their two National
Programmes,
LIFTING OPERATIONS and FACILITY INTEGRITY.

The aim of this workshop is to share NOPSA's
National Programmes findings, and present Industry approaches
from BHP Billiton Petroleum Ltd, Diamond Offshore General
Company, Esso Australia Limited and Woodside Energy Limited
on dealing with
Lifting Operations and Facility Integrity.

Please ensure you RSVP by the designated date as seating is limited.
The workshop is targeted to members of the workforce, Asset Managers, Rig Managers,
HSE Advisors, Integrity Engineers, Lifting and Corrosion Specialists, Maintenance
Superintendents

When: 9.00am Monday 25 February 2008
(this half day workshop should finish at approximately
1.00pm, and includes morning tea and lunch)
Registration from 8:30am)

Where: Perth Zoo Conference Centre Theatre
(20 Labouchere Rd, South Perth)

RSVP: Monday 11 February 2008
